WORK EXPERIENCE

As a Senior Automation Engineer, Data Analyst, and Developer lead with a proven track record working for an manufacturing and software company which is Australian based, specializing in process optimization, automating solutions and custom development. With extensive experience leading high-impact projects across Information Technology and production environments, I excel in driving efficiency and delivering innovative solutions. As a Microsoft Certified Professional in Business Central (MB-800) and Power Platforms (PL-200), I bring a deep expertise in designing and implementing scalable solutions. I am currently advancing my skillset to become a Certified Solutions Architect (PL-600) and actively pursuing further professional accreditations in Data Science, Python, and Artificial Intelligence. My diverse background encompasses Agriculture, Manufacturing, and Information Technology, equipping me with a well-rounded perspective and the ability to undertake complex challenges on an international scale.

WORK EXPERIENCE

SENIOR AUTOMATION ENGINEER & DATA ANALYST

Bitberry / Bestbar reinforcements, Australia (Remote)

Jan 2024 – Present

Power Automate Engineer

- Design, develop, and implement automated solutions using Power Platforms and Python to successfully integrate with custom developed ERP systems.
- Collaborate with cross-functional teams to identify and deploy scalable automation strategies.
- Innovate and develop AI-driven automated solutions to enhance productivity and efficiency.

Power BI Data Analyst

- Leverage Data and SQL expertise for comprehensive data analysis.
- Integrate Power Automate, Power Apps, API's and Python to enhance analytical capabilities and streamline processes.
- Develop robust data models and visualizations to inform strategic business decisions for Finance, Production and Sales.

Project Management

- Lead end-to-end project activities utilizing Power Platforms, Python and AI technologies.
- Define project scope, deliverables, and effectively manage stakeholder expectations in an agile environments using DevOps and Redmine.
- Ensure project success through meticulous change management and the creation of a prioritized backlog as a Senior Engineer.

Dynamics ERP Systems

- Implement financial automation solutions within Dynamics Business Central and Great Plains ERP systems to optimize financial operations.

PROFESSIONAL CERTIFICATIONS

MICROSOFT:

- Business Central | MB-800
- Power Platforms | PL-200
- Solutions Architect | WIP

SENIOR BUSINESS ANALYST (Agile Scrum)

SeeSide Extended / Kaplan UK

June 2023 – January 2024

As a Product Owner of Change, I specialized in driving transformative initiatives through strategic solution design, stakeholder collaboration, and agile methodologies. My expertise lies in optimizing business processes and ensuring successful deployment of innovative technologies.

- Solution Design and Documentation
- Business Central Functional Consultant (MB-800)
- Stakeholder Engagement
- Agile Scrum and Lean Methodology
- Project Management Collaboration
- Quality Assurance and Testing Change request development before deployment
- Data Analysis and Insights
- AI Implementation.
- Process Improvement

Reason for Resignation: Head Hunted and accepted due specialisation opportunity.

BUSINESS SYSTEM ANALYST

JLM Services (Pty) Ltd, (Paarl)

March 2022 – May 2023

My key role was setting up and developing Business Central ERP systems, with expertise in automation and Azure management. My role included leading new software initiatives and guiding pharmaceutical clients, including Medical CBD & Hemp facilities, through system development and compliance.

- Business Central ERP Systems (Setup, development, testing, and configuration.)
- Custom Systems and Web Development
- Implementation of Automation & Azure Systems.
- SDLC: Expertise in development phases, documentation, and diagrams.
- Training: Providing training on new systems for colleagues and clients.
- Power BI & Microsoft Office: Development and Implementation.
- Client Site Visits: Needs assessment and client communication.
- Financial Management: Client financial projections and accounts management.
- Development and maintenance, ensuring compliance with SAHPRA and GxP regulations.

Reason for Resignation: Career growth

CHIEF EXECUTIVE OFFICER

TauMililo Transport Services

Dec 2014 – Nov 2020

As a CEO with a strong foundation in business analysis and operational management, I led transformative initiatives in fleet management, contract negotiations, and warehouse operations, ensuring compliance. My leadership extended to managing risk, overseeing staff, and optimizing logistics, all while maintaining robust client relationships and efficient resource management.

- Business Analysis
- Fleet Management
- Business & Contracts Management
- Safety & ISO 9001 Warehouse Operations
- Staff and Risk Management
- Warehouse & Distribution Management
- Cross-border Road Freight
- Client Liaison & Contracts

Reason for Resignation: Company decided to close with COVID -19 Lockdown.

REFERENCE AND EMPLOYMENT CONFIRMATION

To Whom it May Concern:

I would like to recommend Crystal Jacobs as a candidate for a position with your organization. In her position as acting CEO, throughout her time with our organization, she demonstrated critical skills that would make her an excellent employee at your company.

It gives me great pleasure to write this letter. Crystal is a Stalwart and an example to each and everyone in this industry of which I consider a national asset. Acting with Candour and integrity she earned the unquestioning trust of my and this Company.

Her directives guide her in what she must do in execution of her duties and responsibilities, there is nothing but sheer self-determination, zeal and professionalism that drives her. Her belief in the abilities and competence in others is infectious and indeed infected us all to motivate our work force. She single handily help this company achieve a 98% success rate.

Her passion and derive for success have even motivated myself to reach for new heights. You can put her in any industry and she will excel even if she where to have no experience in that industry. Its due to that fact that she is honest, motivated and intellectual beyond most.

Crystal did a terrific job in her position and has been an asset to our organization. She has excellent written and verbal communication skills, is extremely organized, can work independently, and is able to effectively execute goals to ensure that all projects are completed in a timely manner.

Crystal is always willing to offer her assistance and had an excellent rapport with the many constituents served by our office including clients, employers, and other professional organizations. This would be particularly valuable for your company.

She would be an asset to any employer, and I wholeheartedly recommend her for any endeavour she chooses to pursue. Please let me know if you have any further questions.

Sincerely,

Cheryl Jacobs

LETTER OF REFERENCE FOR CRYSTAL JACOBS – Farms/Feed Assistant/Manager

C. Jacobs
Conquela Dairy & Agriculture
Swellendam/Papkuil

To Whom it May Concern

I have known Crystal for over 12 Years now of which we worked side by side for over five years. I have seen her abilities and wide range of skills which I would recommended to any Employer considering her for Employment. As a farm assistance and then promoted to Feed & Livestock Manager for Conquela Dairy & Agriculture, Crystal has contributed a lot but was also able to teach her colleagues as her knowledge right from the beginning was outstanding. She grew up on a farm and in the Business world of which she showed skill, dedication and knowledge in the Agriculture field that people working in that same field for over 15 years did not understand, she understood and implemented within the first year at Conquela Dairy & Agriculture. She will take her future to new heights with great success. She was responsible for Livestock Management, Crop Planning and Feed Management where she also had to do Harvesting, Farm Maintenance and Auctions. She has impeccable skill when it comes to Livestock health and Feeds.

Crystal is skilled in:

- Harvesting
- Feed Compositions
- Crop Planning
- Livestock Management
- Employee Management
- Farm Maintenance
- Irrigation & Paddock Management

She has demonstrated the following abilities in this job

- Management Skills
- Business Skills
- Planning & executing
- Ability to handle pressure
- Dedicated & Honest

During the time the time that we worked together, I was impressed by her overall dedication and Job performance in the work place. She has an instinct for Agriculture with a very wide knowledge base that involves all types of Agriculture. Working with Crystal motivates you to achieve new heights due to her positive outlook and passion for nature. I would describe Crystal as a very hard-working and knowledgeable person who was able to come up with new approaches to improve our Agriculture Farms.

While understanding Crystal's decision to leave our company her presence is sorely missed. She got on very well with her colleagues and was highly respected as both a person and a professional by management, her co-workers and friends. I can unreservedly recommend crystal for an Agricultural position. She will be an asset to any employer. If you have any further questions with regard to Crystal's suitability please do not hesitate to contact me on +27 (0) 65 172 4499 or feel free to mail me.
